

information on the products that were applied. You always have the right to ask for more information and will receive all the information requested. Here is a list of some of the products we will be using to maintain your lawn. Dimension, Momentum 4 Score, Q4 Plus, (Herbicides), Acelepryn (Grub Preventative), Dylox (Grub Curative), T-Storm (Fungicide). Iron, Humic Acid, Kelp (soil amendments). If you have any questions about any of our products, please ask. All fertilizer or products will be cleaned from driveways, walkways and patios. Caution signs will be posted at entry points to all treatment areas. We will also post Caution signs in visible areas around the treated turf areas. Once notified it is the obligation of property management to notify all occupants of the date of our treatments, so they are aware to stay off the lawn during and after the application. If you have any questions, please contact us at (603) 553-9975 or at IntegrityTurfTime@Gmail.com. Thank You
